S.R.O. 6 OF 2024

VIRTUAL ASSET BUSINESS REGULATIONS 2024

THE VIRTUAL ASSET BUSINESS REGULATIONS 2024 MADE BY THE GOVERNOR ACTING ON THE ADVICE OF CABINET UNDER SECTION 19(1) OF THE VIRTUAL ASSET BUSINESS ACT (ACT NO. 10 OF 2023).

1. Citation

These Regulations may be cited as Virtual Asset Business Regulations, 2024.

2. Interpretation

In these Regulations —

“**Act**” means the Virtual Asset Business Act 2023 (Act 10 of 2023);

“**beneficiary**”, with respect to a transfer of a virtual asset, means the person that will own the virtual asset on completion of a transfer;

“**beneficial owner**” —

(a) has the meaning assigned to it in the Anti-money Laundering and Terrorist Financing Regulations (Cap 04.04);

(b) includes—

- (i) a natural person who ultimately owns or controls a licensee,
- (ii) a natural person on whose behalf a transaction is being conducted,
- (iii) a person who exercises ultimate effective control over a licensee,
- (iv) where no natural person is identified under subparagraphs (i) or (iii), the natural person who holds the position of senior managing official;

“**client**” means a person —

- (a) with whom the virtual asset business establishes or intends to establish business relations; or
- (b) for whom the virtual asset business undertakes or intends to undertake a transaction;

“market abuse” means—

- (a) insider dealing;
- (b) the unlawful disclosure of insider information;
- (c) market manipulation in relation to a transaction, an order or behaviour concerning a virtual asset; or
- (d) dissemination of false or misleading information to potential clients, investors, agents, and others;

“technology platform” means an online mechanism for the sale, trade or exchange of a virtual asset offered by a licensee to its clients;

“originator”, with respect to a transfer of a virtual asset, means –

- (a) the person that places an order with a virtual asset business for the transfer of virtual assets; or
- (b) where the transfer is carried out by a virtual asset business on behalf of a client or other third party, the client or third party who owned the virtual asset immediately before the transfer;

“transfer of virtual asset” means any transaction carried out on behalf of another person that moves a virtual asset from one virtual asset address or account to another; and,

“virtual asset service” means a service provided in relation to a virtual asset business or transaction.

3. Application for licence

- (1) For the purposes of sections 4 and 6 of the Act, a person shall make an application to the Commission for a licence to carry out a virtual asset business in the form set out in the Schedule.
- (2) In addition to the requirements under section 6 of the Act, an application for a licence under subregulation (1) must be accompanied by—
 - (a) full personal details, police records, documents proving qualifications, experience, economic interests, including, the percentage of ownership, and occupation of the—

- (i) managers, and other officers;
 - (ii) directors,
 - (iii) investors or shareholders
 - (iv) beneficial owner; and,
 - (v) significant shareholders.
- (b) in the case of a legal person, articles of association or bylaws of the applicant and other constituent or incorporating documents which specify the roles and responsibilities of the managers, directors and other officers;
- (c) a business plan that includes the—
- (i) nature and scope of the virtual asset business,
 - (ii) financial and operational projections of the virtual asset business,
 - (iii) systems and controls of the virtual asset business,
 - (iv) internal control procedures of the applicant, and,
 - (v) proposed organisational structure, staffing requirements and the powers and duties of officers;
- (d) copies of contracts and arrangements for oversight of activities as the Commission requires;
- (e) evidence of the ability to meet the capital and liquidity requirements as required under regulation 6;
- (f) in the case of an existing business, audited financial statements or management accounts for the last 3 years;
- (g) evidence of human and technological resources sufficient to efficiently operate and manage the virtual asset business as required under regulation 15, including the applicant's principal business address and website;
- (h) adequate business rules, as required under regulation 8, for a virtual assets business utilising virtual assets to ensure, as far as is reasonably practicable, that the virtual asset business will operate fairly, transparently and in an orderly manner;
- (i) adequate internal systems and controls, as required under regulation 14, to maintain market integrity, including avoidance of market abuse;
- (j) Evidence of risk mitigation measures with respect to money laundering and terrorist financing risks including —
- (i) controls for user access,
 - (ii) measures to reduce the scope of a client's or users' ability to transact anonymously;
- (k) a non-refundable application fee; and

- (l) additional requirements, as may be specified by the Commission.

4. Grant or refusal to grant application for licence

- (1) The Commission must, within 90 days of receipt of a complete application, decide whether to grant or refuse to grant the application for a licence.
- (2) The Commission may request further information or documents from a person for the purpose of considering whether to grant or refuse to grant an application for a licence.
- (3) Where the Commission makes a request under subregulation (2), the applicant must within 15 days of the request, submit —
 - (a) the information or documents requested; or
 - (b) a request for an extension of time within which to submit the information or documents.
- (4) The Commission may grant an extension of time under subregulation (3)(b) for a period not exceeding 15 days.
- (5) In deciding whether to grant or refuse to grant an application for a licence the Commission may, in addition to the requirements under section 7(2) of the Act, consider—
 - (a) the virtual asset business activities proposed to be carried out by the applicant;
 - (b) the capacity of the applicant to carry out the virtual asset business activities;
 - (c) any international standards relating to a virtual asset business;
 - (d) any information obtained from a local or foreign Commission or comparable body;
 - (e) whether the applicant has measures in place to ensure that—
 - (i) appropriate information is disclosed clearly to enable potential purchasers and clients to assess risks, and
 - (ii) a risk management framework is in place to reduce operational and other critical risks; and
 - (f) the potential impact of the virtual asset [business] on local economic development and financial inclusion.

5. Conditions on licence

- (1) For the purposes of section 7 of the Act, the Commission may impose conditions on a licence.

- (2) Without limiting the generality of subregulation (1), the Commission may impose conditions for a specified period of time on a licence based on the risks and benefits assessment of the Commission.

6. Capital and liquidity requirements

- (1) For the purposes of section 19(2)(e) of the Act, the Commission may in addition to section 11(1) of the Act, by written notice to a virtual asset business, require the virtual asset business to maintain additional capital and liquidity requirements as it considers necessary depending on the risk profile of the virtual asset business.
- (2) A licensee must meet adequate capital and liquidity requirements with respect to the nature, size, and complexity of the virtual asset business for the purpose of guarding against the risk of failure to fulfill liabilities as they fall due.

7. Capacity to establish and operate proper markets

- (1) A virtual asset business must, to the satisfaction of the Commission, establish and operate proper markets.
- (2) “**Proper markets**” for the purposes of this regulation are markets that—
 - (a) are conducive to the economic good; and
 - (b) promote stability by having—
 - (i) a sufficiently liquid underlying cash market, and
 - (ii) the capacity to operate a virtual asset business.

8. Business rules

- (1) A licensee shall—
 - (a) prepare business rules that specify requirements with respect to —
 - (i) a licensee's financial reporting, including, the method and manner in which regular reports are made;
 - (ii) the international accounting standards or any other accounting standard accepted by the Commission to which the Commission complies;
 - (iii) auditing standards;
 - (vi) the operating history of the licensee;
 - (v) any restrictions that exist on the transferability of the virtual assets of the licensee; and
 - (vi) any other matter the Commission considers relevant;
 - (b) publish and make the business rules freely available;

Montserrat
Virtual Asset Business Regulations, 2024
S.R.O. of 2024

- (c) make the business rules legally enforceable.
- (2) The business rules under subregulation (1) must be approved by the Commission.
- (3) The Commission shall, before granting approval of the business rules, satisfy itself that the business rules are clear and fair.

9. Default rules

A virtual asset business must have default rules in place to enable action to be taken with respect to unsettled virtual asset transactions if a purchaser or client is or appears unable to fulfil the obligations in respect of a virtual asset transaction.

10. Custody and protection of client assets

- (1) A licensee that has custody of a virtual asset for a client must maintain in its custody an amount of the virtual asset that is larger than the obligations of the licensee to the client.
- (2) A virtual asset under subregulation (1) must—
 - (a) be held by the licensee or appropriate third party for the client entitled to the virtual asset;
 - (b) not be the property or virtual asset of the licensee or that of the third party;
 - (c) not be subject to the claims of creditors of the licensee or that of the third party; and
 - (d) not be pledged as collateral for the sake of the licensee or the third party.

11. Prevention of market abuse

A virtual asset business must ensure that the systems and controls applied to its business activities are adequate and appropriate for the scale and nature of those business activities, including systems and controls that adequately and appropriately address—

- (a) the recording, storing, protecting and transmission of information;
- (b) the effecting and monitoring of transactions;
- (c) the operation of the measures taken for securing the timely discharge, whether by performance, compromise or otherwise, of the rights and liabilities of the parties to transactions;

- (d) the safeguarding and administration of assets belonging to investors and shareholders; and
- (e) in the event of disruption of a virtual asset service, business continuity and planning.

12. Transfer of virtual assets

- (1) Where a transfer of a virtual asset is made—
 - (a) the originator must—
 - (i) obtain and hold the required and accurate originator information and required beneficiary information on the transfer, and
 - (ii) immediately and securely submit the information obtained and held under subparagraph (i) to the beneficiary or any other financial institution; and
 - (b) the beneficiary must obtain and hold the required originator and beneficiary information on the transfer required under regulation 13.
- (2) The information obtained and held pursuant to subsection (1) must be kept in a manner that enables the information to be immediately available to the Commission and, on request, to any other relevant local or foreign Commission.

13. Originator and beneficiary information for the transfer of virtual assets

- (1) An originator and a beneficiary must ensure that all transfers of virtual assets are accompanied by –
 - (a) the required and accurate originator information, including—
 - (i) the name of the originator,
 - (ii) the originator virtual asset account number where that account is used to process the transaction or, in the absence of a virtual asset account number, a unique transaction reference number which enables traceability of the transaction, and
 - (iii) any of the following information—
 - (A) the originator’s physical address;
 - (B) the originator’s National Identification Card number or passport number;
 - (C) the originator’s client identification number; or
 - (D) the originator’s place of birth;
 - (b) the following required and accurate beneficiary information—

- (i) the name of the beneficiary, and
 - (ii) the beneficiary's virtual asset account number where that account is used to process the transaction or, in the absence of a virtual asset account number, a unique transaction reference number which enables traceability of the transaction.
- (2) The originating virtual asset business must not execute a transfer of a virtual asset where it does not comply with the requirements specified under subregulation (1).
- (3) A beneficiary virtual asset business must—
 - (a) take reasonable measures to identify transfers of virtual assets that lack required originator information or required beneficiary information including post-event monitoring or real-time monitoring where feasible;
 - (b) have risk-based policies and procedures for determining—
 - (i) when to execute, suspend or reject a transfer of virtual assets lacking required originator information or required beneficiary information, and
 - (ii) the appropriate follow-up actions.

14. Internal policies, procedures, systems and controls

- (1) A licensee must ensure that its internal policies, procedures, systems and controls are adequate and suitable for the performance of a virtual asset business and appropriate to the size and nature of its operations.
- (2) For the purposes of subregulation (1), a licensee must carry out an annual review of its internal policies, procedures, systems and controls in relation to—
 - (a) the transmission of information to purchasers and clients on its technology platform;
 - (b) the assessment and management of risks;
 - (c) the safeguarding and administration of assets which belong to purchasers or its clients;
 - (d) the fitness and propriety of its employees and the adequacy of the technological resources;
 - (e) training and succession planning for managers, directors and other officers;
 - (f) the supervision and monitoring of transactions on its system; and
 - (g) any other areas determined by the Commission.

15. Human and technological resources

- (1) A licensee must, to the satisfaction of the Commission, ensure that it has sufficient human and technological resources to operate a virtual asset business.
- (2) Without limiting the generality of subregulation (1), a licensee must satisfy the Commission with respect to—
 - (a) employing fit and proper staff, in accordance with sections 7(2), (5) and (6) of the Act, appropriately trained for the duties to be performed and to the standards required;
 - (b) appointing officers with an adequate level of experience and expertise to supervise and monitor the operations of the virtual asset business; and
 - (c) owning and subscribing to technological resources that are established and maintained in a manner that ensures that they are secure and maintain the confidentiality of the data they contain.

16. Safeguarding and administering assets

A licensee must ensure, to the satisfaction of the Commission, that its technology platform provides for the safeguarding and administering of assets that belong to clients to ensure—

- (a) satisfactory arrangements are made for that purpose including data management and protection, security access control and cyber security safeguards; and
- (b) clear terms of agreement exist between clients and the licensee in relation to the virtual asset.

17. Risk management

- (1) A virtual asset business must have in place written strategies, policies, processes and risk management systems to assess and maintain, on an ongoing basis, the amount, type and distribution of financial resources, non-financial resources, own funds and unimpaired capital that it considers adequate to address—
 - (a) the nature and level of the risks to which it is, or might be, exposed, such that there is no significant risk that its liabilities cannot be met as they fall due, and that in the event of a winding up, its business can be wound up in an orderly manner, minimising harm to clients or to other market participants or to market integrity;

- (b)* the risk that the virtual asset business might not be able to meet the obligations under the virtual assets capital and liquidity requirements; and
 - (c)* the need for liquid assets adequate to cover its liabilities as they fall due.
- (2)** The strategies, policies, processes and risk management systems under subregulation (1) must be approved by the Commission.
- (3)** A virtual asset business must review and document annually the extent to which it has met the risk management requirements imposed by the Commission and submit its report to the Commission within 4 months after the close of each financial year.

18. Cybersecurity and operational risks

- (1)** A licensee must establish and maintain appropriate systems and controls for managing cybersecurity and operational risks that can arise from inadequacies or failures in its processes and systems including ensuring that the necessary resources are allocated to manage cybersecurity and operational risks.
- (2)** A licensee, must ensure that suppliers, agents and other third parties establish and maintain appropriate systems and controls for managing cybersecurity and operational risks.
- (3)** A licensee must ensure the adequacy of the systems and controls used to safeguard the security of its information having regard to established security standards.
- (4)** A licensee must obtain external testing and audits carried out by suitably qualified external experts, at least annually, and more frequently if appropriate given the nature and size of its business.

19. Client protection

- (1)** A licensee must at all times provide safeguards to ensure client protection to standards the Commission determines or as required under the laws of Montserrat.
- (2)** Without limiting the generality of subregulation (1), a licensee must have business rules, procedures and an effective surveillance program that ensure that a virtual asset business conducted on or through its technology platform or trading systems is conducted in an orderly manner to provide proper protection to clients, including monitoring for conduct which may amount to market abuse, money laundering, financial crimes or other criminal conduct.

20. Complaints

- (1) A licensee must, to the satisfaction of the Commission, have in place systems and procedures to address complaints by clients of its technology platform so as to ensure that due process is upheld on an ongoing basis.
- (2) The systems and procedures under subregulation (1) must include—
 - (a) effective arrangements for the investigation and resolution of complaints made against the virtual asset services of the licensee;
 - (b) establishing and maintaining a register of complaints made against the virtual asset services of the licensee and resolutions reached with the purchaser, client, or user.
- (3) A licensee must keep and maintain the records of the complaints under subregulation (1) for a minimum of seven years.

21. Ring fencing and safeguarding requirements

A licensee engaged in virtual asset business must safeguard the funds received from clients or from other virtual asset businesses by ensuring—

- (a) that the virtual asset business does not transfer the funds to its own account used for normal business operations nor commingle the funds with the funds of any person other than the client or other virtual asset business on whose behalf the funds are held;
- (b) the virtual asset business employs other appropriate risk mitigation strategies to ensure safeguarding of funds.

22. Promoting and maintaining standards

A licensee, in carrying out a virtual asset business, must —

- (a) act honestly and fairly;
- (b) act with due care, skill and diligence;
- (c) observe and maintain a high standard of professional conduct;
- (d) ensure that appropriate measures are put into place for the protection of the virtual assets of the client;
- (e) have effective corporate governance arrangements consistent with the Act; and

Montserrat
Virtual Asset Business Regulations, 2024
S.R.O. of 2024

- (f) cooperate with the Commission regarding regulatory matters as the Commission determines.

23. Compliance procedures

- (1) A licensee must provide, to the satisfaction of the Commission, details of the manner in which the licensee will ensure ongoing compliance with the business rules under regulation 8.
- (2) Without limiting the generality of subregulation (1), a licensee must have compliance procedures in place to ensure that—
 - (a) the business rules are enforced;
 - (b) complaints regarding persons granted access to its technology platform are investigated;
 - (c) appeal procedures are provided; and
 - (d) where appropriate, disciplinary action and appropriate penalties are available.

24. Ongoing obligations

A licensee must at all times do all things necessary to ensure that its virtual asset services are fair, transparent, orderly and efficient for the purpose of reducing any systemic or any other type of risk that may adversely affect fair and orderly trading or transfer of the virtual assets.

25. Insurance requirements

A licensee must establish and maintain appropriate policies of insurance on terms and conditions determined by the Commission for the purpose of indemnifying the licensee against a liability incurred as a result of an act or omission by the licensee or its officers or employees in the conduct of the virtual asset business.

26. Reporting requirements

- (1) In addition to section 9(4) of the Act a licensee must submit to the Commission a report in writing, at such times as the Commission directs, addressing matters affecting the virtual assets business and other matters as the Commission directs.
- (2) The report under subregulation (1) must include the following—
 - (a) the ongoing compliance measures of the licensee with the terms of the licence;
 - (b) complaints received and resolutions reached;

Montserrat
Virtual Asset Business Regulations, 2024

- (c) disciplinary matters arising and addressed;
- (d) the performance and adequacy of the systems and controls of the virtual asset business;
- (e) financial matters concerning the operation of the virtual asset business; and,
- (f) any other matter the Commission considers relevant.

27. Retention of records

Notwithstanding anything to the contrary in any law relating to the retention of records, a licensee must retain all records obtained or produced during the operation and administration of its business for a minimum of seven years from the date the record was obtained or produced.

28. Disclosure of information to the Commission

A licensee must ensure that appropriate procedures and adequate arrangements are in place to enable employees to alert and disclose any information to the Commission or local or foreign authorities concerning actual or potential infringements of these Regulations and to protect the employees from retaliation.
